HOT TIPS

correspondence

From Dave in Tulsa...

I spotted this new girl at the university I was attending. What a stunner. Throughout that week I kept seeing her everywhere I went. At the library, the quad, on the way to class – and when I saw her in the gym I just couldn't stand it anymore, I had to talk to her. I asked her her name. She said her name was Dakota. I said that was a great name. Then I added, "My friends and I are having a party on Saturday this weekend. It would be nice if you would come." "Sounds like fun." she replied.

Saturday night we all got more drunk than perhaps we should have, but I was amazed at how many drinks she could put away! Five beers and six vodka shots, by my count. That's how much she took without going cross-eyed! Then she explained that she played softball at her previous college. After a while I got up the courage to kiss her and to my amazement she kissed back. We found an empty room and she ripped my jeans off and deep-throated without blinking. We were there, me standing up, her kneeling down, for five or six minutes until I blew my load. She had a whole mouthful and she swallowed it all.

I grabbed her, threw her onto the bed, ripped off her skirt and top and completely devoured her glorious, dripping, bald pussy. She was positively screaming with pleasure. I could sense she was close to climax so I plunged my cock into her

Wow Hillary. you're hot, girl. You look so cute on the cover and then do the nasty on the inside. You're like the angel and the devil all rolled up in one. I hope that I meet you in a dark place!

glistening hole. Long deep thrusts made her naked breasts ripple. She screamed again "Harder, fuck me harder." So I duly obliged. I exploded into her soaking pussy and pulled out just as she came. And oh my god, did she cum! It was like a fountain! I had heard of this before. I've no idea what it was, but it wasn't pee.

As if that wasn't enough, she asked me to finger her again. I did one better as my tongue and two fingers worked her clit. Meanwhile she stroked, licked, and sucked my cock. We were fucking for hours, a good thing it was my flat. After she drank cum two more times, I turned her on all fours and pounded her sweet virgin ass. I needed no lube as her ass and my cock were already soaking wet. She moaned

and groaned over and over as I pushed in deeper and deeper. I felt I was about to cum again so I pulled out and jizzed all over her back. We finally stopped and fell asleep about three in the morning. We had started at ten that evening. We woke up and remembered that it was the weekend, and so we had a complete repeat of the previous night's fuckfest.

It is now almost a year later and we are engaged and will marry next June. I'm sure our honeymoon will be just as hot as the year leading up to it.

From Buck in Fullerton...

Yes, buckle down guys, this is another frat party letter, but why not. So, it was a typical night of partying at my frat house where I'm a senior this year. Some of the junior girls ordered pizza to their dorm across the street. I was in that drunken hunger stage so I asked if I could join them. I was casually flirting with one of them and asked for a back rub. She turned me down, saying my girlfriend would be upset.

Some of the sisters decided to go to bed early for the night, so thinking nothing of it I start to walk out. I told one of her friends that I was bummed I didn't even get a massage. She said, "You want one?" I simply nodded and she took my hand and led me to her room. Her roommate was asleep so I quietly lay down on her bed with my back up, waiting for a massage. She starts to massage me and truth-

fully it was a pretty bad massage. She wasn't very attractive, but she was massaging and leaned over and said, "Doesn't this remind you of

ing and asked, "Wait, do you have anything on you?" Again I shook my head no, as I was not expecting any action of this type. She got

tongues. She then said, "I can't take this anymore!" She straddled me and guided my cock into her warm wet pussy. The feeling was amazing. She rode me while I pounded her from below. I got a little worried when I could feel myself about to come. I said, "I feel it coming!" This turned her on more and she started riding harder and said, "I want it inside me!" I busted my load inside her pussy while she too was climaxing

When we were finished I stood up and put on my clothes quickly, worried her roomie would wake up. She never did. We made an agreement to not act weird around each other, especially with her boyfriend or my girlfriend around. Since then, we've remained friends and

sex?" I nervously laughed and said, "I guess so."

I turned over and she lay next to me. She then whispered in my ear saying, "What if we fucked? I wouldn't tell anybody, would you?" She must have been referring to my girlfriend and her boyfriend, who happened to be acquainted. I shook my head no and she put her hand down my pants and felt my already hard cock. She started moan-

out of the bed and started looking through her desk drawer and couldn't find anything. I said it was alright and suggested that we could just mess around.

We were getting a little loud, trying to keep things at a whisper. Her roomie was still snoring so I knew she was truly asleep. I was fingering her and she was stroking my cock. We were making out hard, taking out our frustrations with our

have even seen each other since college. I married my girlfriend and she married her boyfriend, and we both even have children. We've never mentioned it, but when we lock eyes I know that we both remember and appreciate the good time we had that night.

From Kent in Hilton Head...

I went to a party at my resort condo's rec room last weekend. When

I got there, the party was at full capacity. Every hallway and corner was packed with drunken partiers. There were so many hot eighteen and nineteen year old chicks wearing micro skirts and low-cut tops, that were just begging to be fucked.

I had a few too many beers and ended up making a fool of myself

hands off of her. I was grabbing her titties and kissing the sides of her neck. She was loving it. She grabbed my dick and was squeezing it through my jeans, telling me that it felt nice.

The next thing she did surprised me. She unzipped my jeans and pulled out my cock right out. I

just wanted to get in all the way. So I pushed up against her, hoping to get my whole dick inside. She quickly pulled away and told me not to do that. I didn't know there were rules to what we were doing.

She gave me another chance and we started grinding again. Again, I had the tip of my dick inside her pussy and this time I let her decide how deep it went. She'd back it up so that I was only halfway in and she gave me a few good pumps to the beat of the music, and then pull away again. I was getting so horny, I thought my dick was going to explode. She kept doing this over and over again, but each time, she was getting a little deeper, until finally I was all the way inside her.

But she kept pulling away after a few strokes, which was frustrating the hell out of me. Finally after like ten times, I held onto her hips and wouldn't let her pull away. I thrust into her and started fucking her nice and deep. She

resisted at first, but then she gave in and started fucking me back. I don't remember how long we were fucking for, but I don't imagine I lasted very long. I was so worked up from all of her teasing that after pumping her for a few minutes, I unloaded inside her.

After that, I quickly put my dick back in my pants. She turned around and give me a kiss on the lips and said "thanks" and walked away. That was the last I ever saw of her. But boy was I glad I decided to go to the party!

on the dance floor. With my liquid courage, I got in the middle of a group of girls dancing and was busting out all of my best moves. In reality, I probably looked like a jackass, but the girls seemed to find it funny. Eventually most of the girls left the dance floor, but one chick stayed behind to dance with me. A hot blonde with long legs, just barely covered by her miniskirt.

How lucky was I. I took her to the back of the room and continued to grind with her. I was getting so hard and horny, I couldn't take my

didn't care. I just kept grinding my cock against her panties, which were soaked. Then she whispered to me "you wanna dip?". I wasn't really sure what that was, but she bent over in front of me, giving me a full view of her ass and she pulled her panties aside, revealing her perfectly shaved pink pussy. I got the idea.

I got behind her and positioned my dick so that just the tip was parting her pussy. She backed up a little bit, sliding more of me inside her. Her pussy was so wet and hot, I

**he's back, and now with her.
it couldn't be any better.**

It's been a long airplane flight from New York to Seattle but it went quickly enough as I thought about him. You see, I'm on my way to a ten-year college reunion. The ten-year was my sorority's idea because we all got along so well and didn't want to lose touch – ever. However, why I'm really going is to once again meet up with a gorgeous hunk who had given me the most orgasmic weekend of my life. That was more than thirty hours of non-stop sex except for some food here and there and few minutes to doze off and regain our strength. That was fucking my brains out with an athletic god of a football star with a bulge you could practically measure in yardage.

The day of the reunion, I got dressed in an almost-sheer white blouse with a beautiful lacy bra underneath that was just teasing enough but classy in a slutty sort of way. Then, at the carefully planned moment, I'd unbutton my top a couple buttons and 'BAM.' Out would explode my massive, D-cups of this five-foot-ten amazon of a varsity women's volleyball player. My boobs go on for days, maybe weeks! And because I'm so tall, it all looks both naturally proportioned and supernaturally overwhelming. Most men's jaws drop on those rare occasions when I flip off my jacket and let my superhuman shelf free; some have broken into a sweat, and I swear, I've seen two different men spring an instant erection and helplessly ejaculate just from the sight. I'm getting hot just writing these words: The sight of my body has actually made men cum in their pants!

I'm positive that at the reunion, even this muscular, God-stud

of cock wouldn't be able to resist me. I knew he had RSVP'd, but didn't know if he was coming alone. Not that I cared. I've taken men away from other women enough times in my life. And the stakes were high here – I've never, ever, ever been satisfied again the way Brett had satisfied me that weekend, all weekend long. It's a memory still vivid in my imagination.

I arrived at the hotel and signed in, making chit-chat with some of my old acquaintances I'd caught up with on Face-

book. I didn't touch any of the hors d'oeuvres being carried around by the waitstaff. I was too nervous to eat, and didn't want to risk any food spoiling the perfectly constructed line of my lipstick and the subtle but radiant highlights of my makeup. With a vodka rocks in hand, I glided around the grand hall, catching up with old girlfriends and studiously avoiding making eye contact with any of the men, whom I could hear quietly gasping as I walked by. I kept my glances concentrated at the door where Brett would enter and have to stand for a minute or two

as people signed in and fumbled with their registration and name tags.

I tried as hard as I could to push away thoughts of him – of his unbelievably strong body, his unbelievably enormous erection. Twice the length and twice the thickness of any other men I've known, and my God, do the math: that is literally enough of an erection for two-well-hung men at once!! His cock was the size of a French-fuckin' baguette! I had to stop. My nipples were threatening to pop out of my bra, my pussy was already wet, and I had to keep clutching my ass cheeks tight just to be able to walk straight. Oh, God, I thought – if he doesn't show up soon, I'm just going to say fuck it, find an out-of-the-way ladies' room, and masturbate my clit off! But patience pays off. Finally, there he was and my heart jumped into my mouth. He looked even better than he had ten years ago! Brett still

had the fine physique of a triathlete, and his face looked fuller and more square-jawed, with just the hints of those rugged lines that experience brings, hopefully long, hard experience, if you know what I mean.

Then, I saw her. She was stunning. A blonde-haired, Kate Upton-ish vixen, all boobs and ass with a lot of class. She was perfect! Except for once or twice a dozen years ago, I'd never done more than tongue-kiss another woman – but her – wow! I could feel my tongue tingling, picturing in my mind's eye having my face down between her taut legs, lapping away at her gorgeous pink slit, pushing and penetrating my tongue so deep up her pussy it'd make her moan and cum on me. Leave it to Brett to be with a goddess.

Before I could think up a strategy, Brett looked up and saw me. My blood froze. Without taking his eyes off me, he leaned in to the beautiful woman beside him, and they both smiled. I couldn't move. I saw them start to walk toward me, and it was like I was deaf and dumb to every sound and sensation except their footsteps. By the time the two of them had traversed the thirty feet to where I stood, I was only just starting to get feeling back in my statue-like limbs. It took every bit of my concentration to look calm, poised and collected, although every atom in my body was trembling and wanting to scream.

"Nice to finally meet you," the beautiful, dark-haired woman said, with a smile that made me melt inside, though I stood firm. "Brett has told me who you are." She still was smiling. For the first time in my life, with another woman between me and a man, I was nervous. Was that a piranha smile? Was she about to bite my head off? Brett, standing next to her, was smiling as well, and there was something in his face I remembered, and recognized.

"My name is Camille," the woman said to me, beckoning me to

lean in to her five-foot-nine in heels height, in such a way that anyone watching would have assumed we're old friends and she's telling me some gossip, some secret between us girls. "I know I'm married to a man who makes women's pussies wet just looking at him," she began. "A man with more than enough cock to fuck ten hot, steam-ing women to gushing orgasms in a single night. I have been there and been part of

that, many times." And then she came

to the point. "I want you. Brett has told me of your sex marathon; how you squirted a fountain of cum a yard high. Now I want that with the three of us." Oh, yeah! My mind screamed. And despite everything, despite my discipline and perfect confidence in my hurricane-force sexuality and cock-exploding body, I felt my lower lip tremble and a single, damnable bead of sweat form on my forehead.

"You have no choice." Camille said, her smile widening, her eyes zeroing in for the kill. "I'll do anything." I whispered hoarsely. Then we departed for the suite they'd rented; a luxurious set of rooms with a marble tub, a full bar, a fireplace, wall-to-floor windows and a terrace overlooking a wooded lake. After an hour of slow seduction it would take another story to describe, and which gave me my first two orgasms of the night, the tsunami sex began. Brett stood before us as Camille and I finished making love on the giant bed. He was hard as stone now, his ungodly erection, powerful and trembling, looking like with one good grunt it would explode upward all the way to his chin! What a hunk of pussy-destroying power! Camille played with herself on the bed as I got on my knees and struggled to get the giant knob in my mouth. Camille was moaning, her fingers playing rapidly inside her pussy, preparing to watch one of the greatest fuckings on earth.

My tongue found the little slit in the head and softly parted it, sticking it in and out a few times. I slid my lips and tongue down the long thick shaft until I reached the base. I nibbled the

area where the base met his balls. Then I took those tennis size balls into my hands and started squeezing them, coaxing his seed to the front. I pushed his penis against his tummy and slid my tongue the foot and a half from his balls to the tip and back again.

Brett came all over my face, and I gobbled and swallowed and smeared his gallons of cum on my cheeks and lips and mouth, licking my fingers like

it was honey. Knowing from experience that he could go hours without getting any more than just partially soft, I lay back and played with my pussy as Camille moved in and licked his cum from my face. Brett watched, growing so stiff so fast you'd swear you could actually hear him hardening! He placed the head of his cock against my drowning pussy, and with Camille holding my pussy lips open, he started to penetrate me, inch by thick fucking inch.

The pressure and anticipation were about to kill me!! With his wife cooing and playing with my clit, Brett finally pushed in more than the head, which was nearly three inches by itself! Slowly, carefully, he began sliding in and out of me. His cock was so thick it was massaging my clit with every stroke, and as steam practically began pouring off of us, he slid faster, and harder, and faster, and harder until finally two-thirds of that gargantuan monster was tearing me apart, punching at the back of my womb! Camille was licking and sucking my clit as my fingers played with hers. I felt her suck and pull my clit with her lips as Brett banged me hard. My own fingers were sopping with her sweet love juices, and I slipped one up her butt crack and into her tightly puckered anus. She moved her hips into it, pushing my finger deeper. I obliged by adding another digit as her fingers found my butthole under Brett's pounding of my pussy. The sensations were out of this world. Fingers, cocks and tongues, oh my!

That did it. I squirted, I sprayed, I gushed pussy juice splashing

all over his cock and brick-hard six-pack abs. Camille dove right in, thrashing her face in my pussy like a vampire on some virgin's neck. My orgasms finally slowed after a minute to just under the boiling point, then I put my fingers down to feel his un-fucking-believably huge cock, and I started cumming all over again! Squirted again for the first time in all these years, getting torn and destroyed by multiple orgasms that kept hitting me like a

perfect storm, I was almost praying for my incredible climaxes to stop, or at least slow down, so that I could give Brett the coup de grace and let him rip apart my asshole with one of the biggest cocks in the world!

When it was finally time, I rolled over. Camille licked my ass and fingered my rectum, getting it good and wet. She pulled my butt cheeks open, giving his cock a pink target to violate. She grabbed his massive meat loaf and guided it into my back door. It took a while, probably twenty minutes of non-stop, gradual burrowing before my sphincter had loosened enough to accommodate him. He'd never come close to getting the entire thing in,. If he were able to get just half of that more than foot-long, ten-inch-around cock in my ass, it would be a miracle. And oh, my God, what there was, was miraculous!

Finally slamming me, driving me to the moon and back on the sheer length of his cock, Brett blasted my tight asshole into oblivion! He pounded me and pounded me, while I screamed in pure ecstasy! "Fuck my ass. Fuck my fucking ass." I screamed. He fucked my ass until I passed out! I woke up in pain and pleasure, being serviced by a pair of sexy tongues slathering their juices all over my spent body. That weekend ended with hot combinations of flesh rampaging around the suite. We actually became better friends and I have since moved to their city so we can party together all the time. The sex was and is amazing, and I hope you'll be able to experience the same sexual joy some day.

VICTORIA

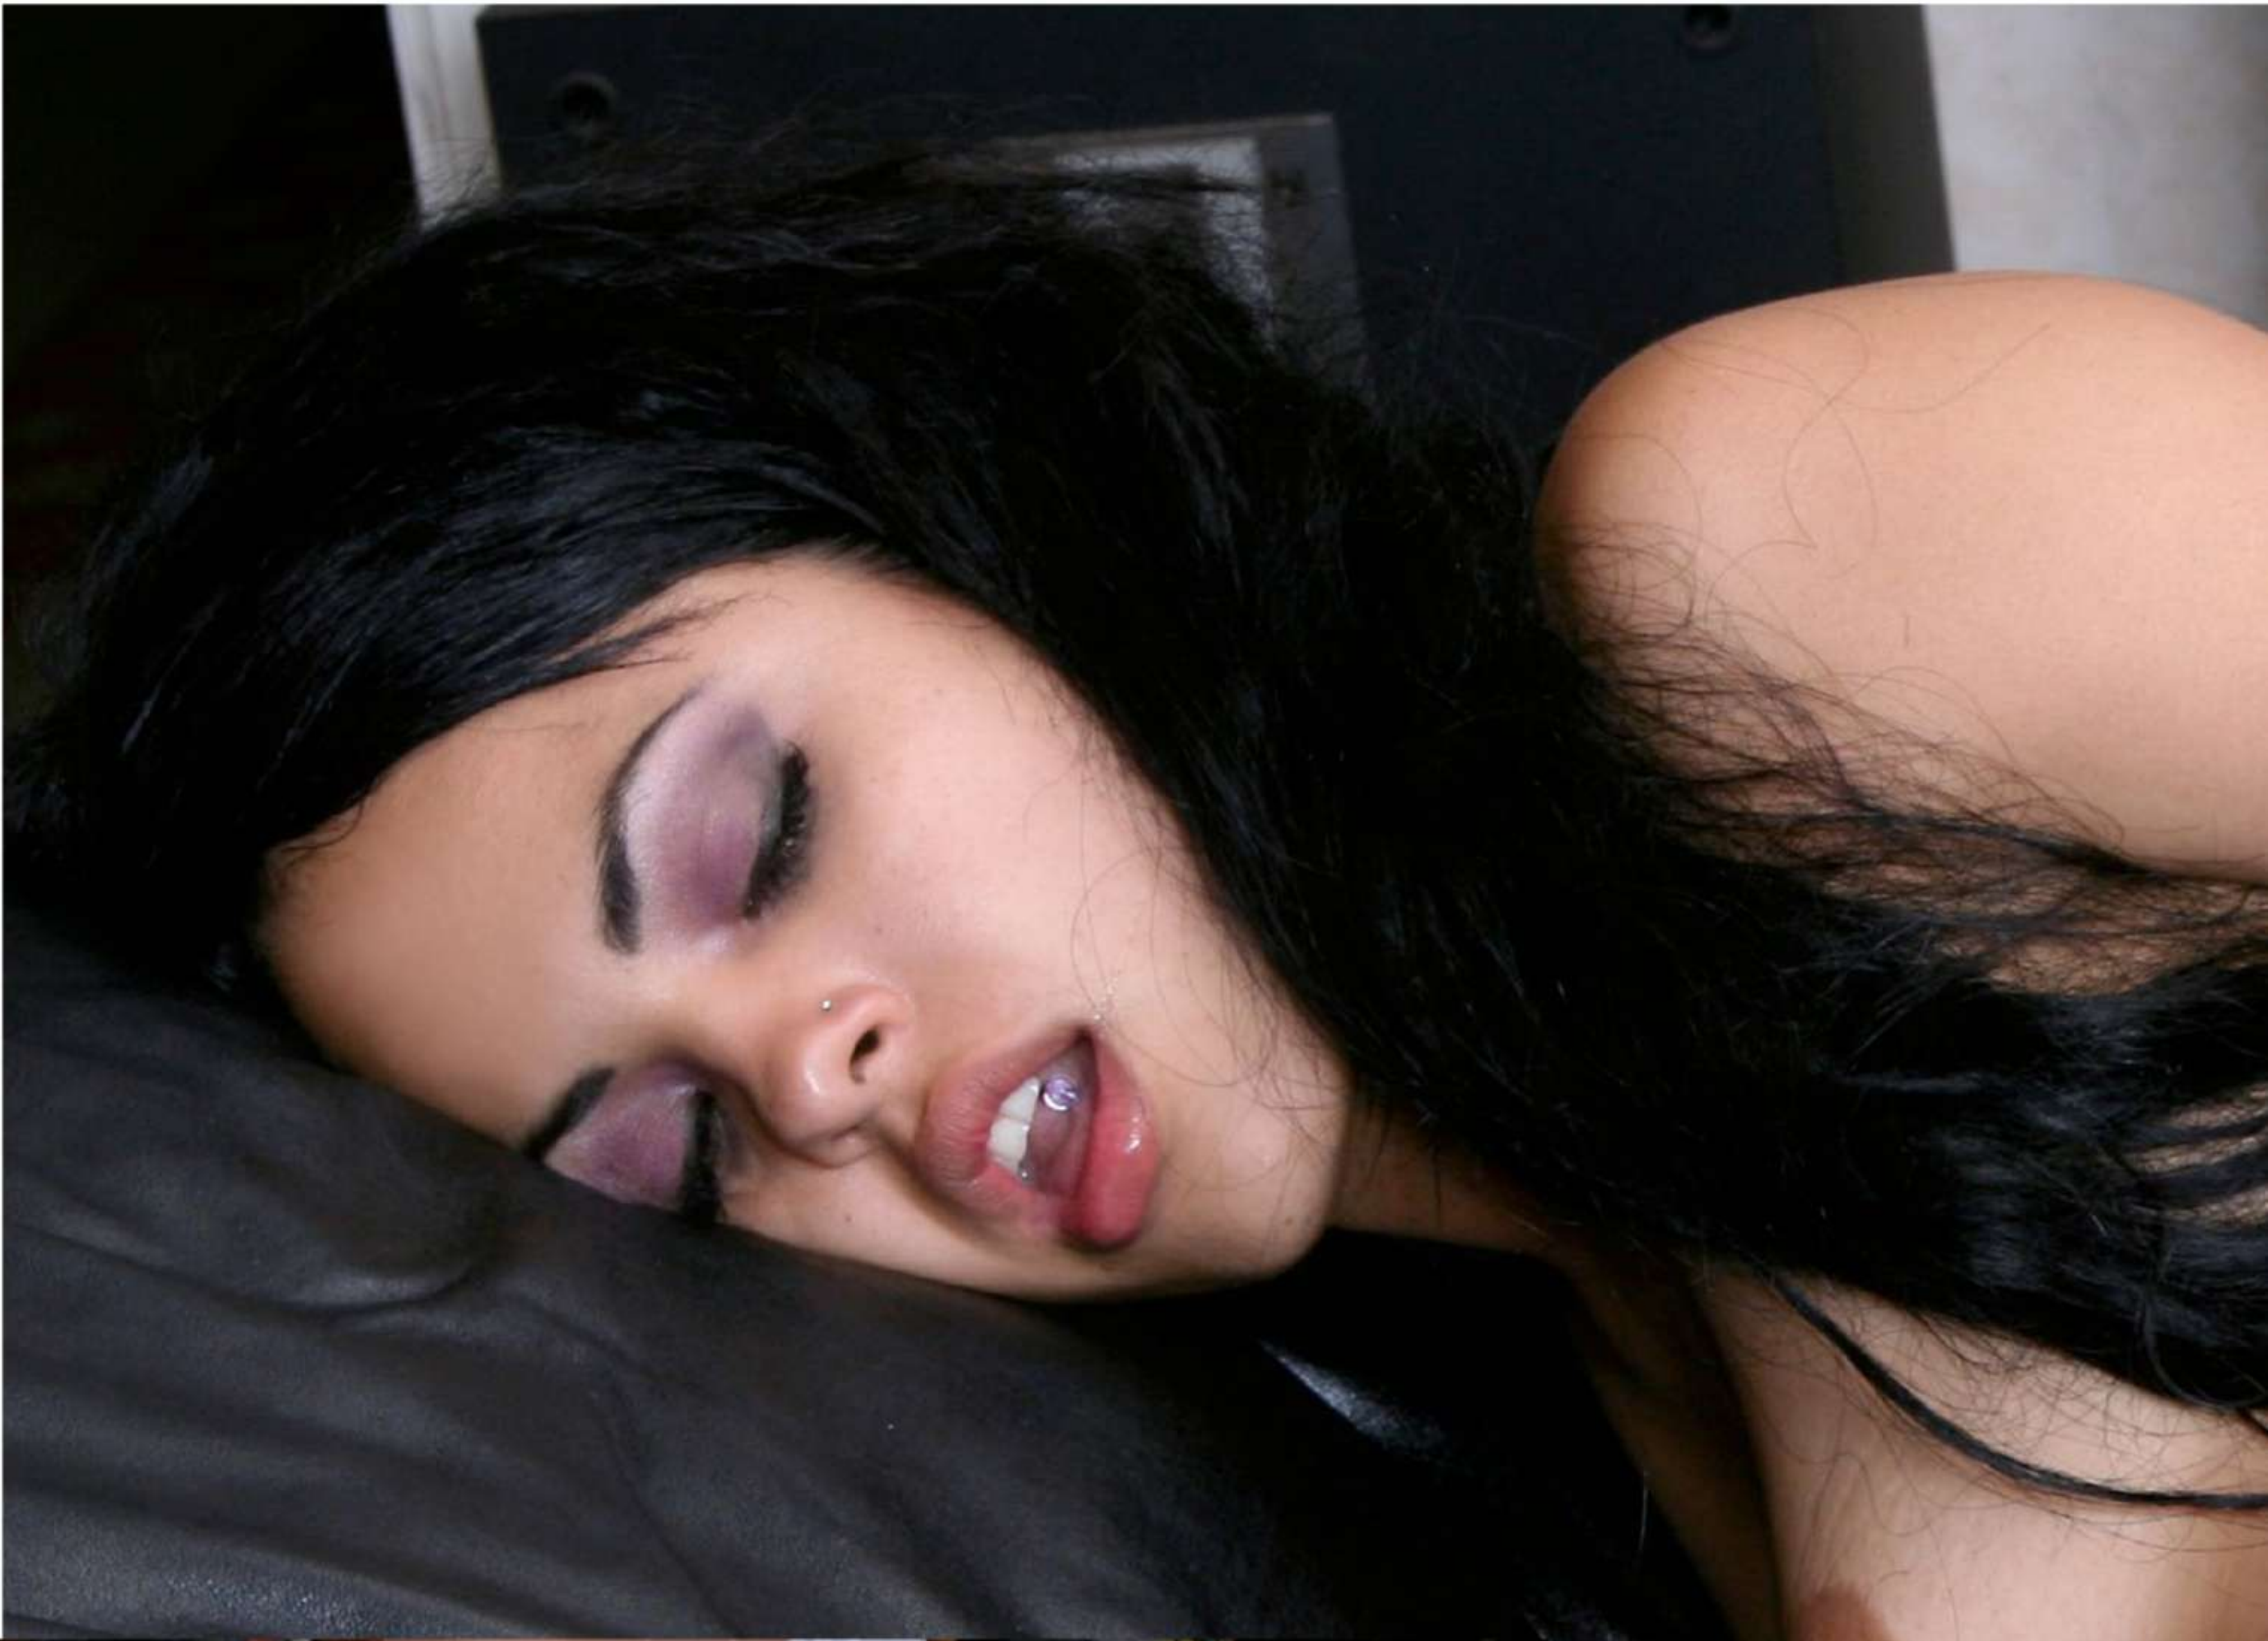

I have an oral addiction. Yes, fucking is fun and I do a lot of it, but there's just something about licking a man that turns me red hot. It's the taste, the view, the feeling of control. When I make a man cum in my mouth, I want to shout out but it's full of jizz.
